

# The Smart Portfolio

Find those that have what you want.  
Do what they do and you'll get what they've got.  
Below is a sample portfolio from the  
ultra-high net worth group Tiger 21.

This sample portfolio does not consider the recipient's specific needs, including financial situation, legal or tax considerations, investment restrictions, and/or risk tolerances. Your allocation may differ based on your specific risk tolerance, objectives, and relevant economic and market factors. This sample portfolio contains private investment opportunities that may only be available to eligible clients and can only be made after carefully reviewing and completing applicable offering documents. Information is intended for educational purposes only and should not be taken as a recommendation, offer, or solicitation to buy or sell any security or asset class. NMLS 2464077 | AZ BK 1045629
